IODIZED TABLE SALT

Iodized Table Salt is used for direct Human Consumption as well as an ingredient for variety of Foodstuff.

Purity (NaCL) 99% and Standard Potassium Iodate: 45 PPM. approx.

COOKING SALT

Iodized Cooking Salt is used for direct Human Consumption as well as an ingredient for variety of Foodstuff.

This Salt has Purity (NaCL) around 99% and standard Potassium Iodate: 45 PPM. approx.

FOOD GRADE SALT

LOW SODIUM SALT

Low Sodium Salt is salt having lower Sodium than Normal Salt. Potassium Chloride is being added to Food Grade Iodized Salt to reduce the content of Sodium Chloride. The Potassium Chloride can be added from 10% to 30% or as per requirement of the Customer.

IRON FORTIFIED SALT

The Salt is most convenient and economical vehicle of Iron content to human body.

Iron Fortified Salt is Food Grade Iodized Salt blended with Iron content.

DOUBLE REFINED IODIZED SALT

The Double Refined Salt is Pure White Refined Salt. This Salt is available with or Without Iodine.

The salt has Purity (NaCL content) of 98% and Moisture 3%.

A close-up photograph of a hand sprinkling white salt crystals onto a bowl of fresh green salad with red tomatoes. The background is blurred, focusing on the salt being added to the food.

FOOD GRADE SALT

INDUSTRIAL SALT FOR OIL & GAS INDUSTRIES.

Highly Pure Grade Refined Salt available for Oil & Gas Industries have NaCl > 99.50% and Ca + Mg < 1500 PPM as per ASTM. Available in Powder form as well coarse form with size 0.1mm to 0.85mm and 1mm to 4mm with lowest moisture content < 0.50%.

SEA FOOD PRESERVATION/PROCESSING

Washed crystal & powder salt for processing and preservation of sea food.

RAW SEA SALT

Natural solar harvested sea salt with purity (Nacl) ranging from 97% to 99.50% available in white crystalline form with grain size 0.5 to 10mm. This salt has multiple applications including use as raw material in salt refinery.

DE-ICING / ICE MELTING SALT

Natural sea salt with purity (Nacl) ranging from 97% to 99.50% available in white crystalline form with grain size 0.5 to 10mm.
